Furthermore, in case the Bank considers that the dispute which the complaint concerns cannot be resolved, we will inform you as to whether we have the intention to use any ADR Entity for out-of-court settlement and whether the decision which may be issued with the suggested method, will have a legally binding and final effect.

What will the Financial Ombudsman do in the event of a complaint:

You have the right to refer a dispute to the Financial Ombudsman, concerning an out-of-court dispute resolution procedure (as an ADR Entity), or a mediation procedure for restructuring of credit facilities, or to submit a complaint, in accordance with the Establishment and Operation of a Single Agency for the Out-of-Court Settlement of Disputes of Financial Nature (Financial Ombudsman) Law of 2010, Law no.84(I)/2010, as amended from time to time, and provided that the relevant legislative conditions are met, depending on the case.

In the event that the Financial Ombudsman («the Ombudsman») examines your complaint, the Ombudsman will take into account the legal framework within which financial businesses operate, the codes of conduct and the generally accepted business practice followed and will then reach a final decision no later than six (6) months from the date of receiving your complaint. By exception and if the circumstances so justify, the Ombudsman may extend the six-month deadline for a further three months. If the binding nature of the Ombudsman's decision is accepted by both you and the Bank, then you should both comply with this decision. If not, you may, if you wish, refer to the competent Cypriot Courts for the settlement of your dispute with the Bank.

Court Dispute Resolution:

In the event where the decision of the Ombudsman or the ADR Entity is not binding, you may, if you wish, refer to the competent Cyprus Courts for the resolution of your dispute with the Bank.
