4.17.2. Where the Bank issues and concedes and/or permits the use of a Payment Instrument, the Bank shall:

It is provided that this term shall enter into application on the entry into force of the aforesaid regulatory technical standards.

4.19.3. The Bank shall treat orders/requests transmitted through the services of a Payment Initiation Service Provider and Account Information Service Provider without any discrimination other than for objective reasons. Particularly in the case of a Payment Initiation Service Provider, such reasons shall relate to, in particular, terms of timing, priority or charges vis-à-vis Payment Orders transmitted directly by the Payer.

4.19.4. The Bank reserves the right to deny an Account Information Service provider or a Payment Initiation Service provider access to a Payment Account for objectively justified and duly evidenced reasons relating to unauthorised or fraudulent access to the Payment Account by that Account Information Service provider or that Payment Initiation Service provider, including the unauthorised or fraudulent initiation of a Payment Transaction.

4.19.5. Where such access to the Payment Account is denied, the Bank shall inform the Customer that access to the Payment Account is denied and the reasons therefor, where possible, before access is denied and at the latest immediately thereafter, unless providing such information would compromise objectively justified security reasons or is prohibited by other relevant national or European Union law. 5.2 SEPA Core Direct Scheme

The SEPA Core Direct Debit Procedure enables the Customer or Debtor to settle his/her financial obligations towards Creditors by signing a Mandate that entitles the Creditor to collect the amount(s) owed from the Bank. In signing a Mandate, the Customer also authorizes the Bank to debit the corresponding amount from his Account. Payments under the SEPA Core Direct Debit Procedure can be made only in Euro.

5.3 Scope

5.3.1. One-off and Recurring Collections

These Terms and Conditions shall apply both for one-off and recurring SEPA Direct Debits. For a one-off SEPA Direct Debit, the Mandate shall apply solely to the specific Direct Debit Transaction. Recurring SEPA Direct Debits are those that are regularly carried out by the same Creditor based on the same Mandate. One-off SEPA Direct Debits are those where the authorization is given once by the Customer to collect only one single SEPA Direct Debit, an authorization which cannot be used for any subsequent Transaction.

5.3.2. Legal relationship between Customer and Creditor

The SEPA Direct Debits executed in accordance with the Rulebook and by these Terms and Conditions are separate transactions from the underlying contract on which they are based. The underlying contract (e.g. purchase contract, insurance

contract, lease agreement) is agreed upon the Customer and its Creditor and does not form part of these Terms and Conditions. The Bank is not concerned with or bound by such contract. The Customer agrees that disputes between the Creditor and the Customer must be resolved between themselves.

5.4 Mandate

- 5.4.1.** The Customer must ensure that details designated as required for the Mandate are provided correctly and in full.
- 5.4.2.** The Customer must complete and sign the Mandate before sending it to the Creditor. The Customer acknowledges that the Bank will not receive a copy of the Mandate and is not obliged to check its contents.
- 5.4.3.** Subject to clauses 4.7.6 and 4.7.7, above, the Customer may cancel or amend a Mandate by communicating directly with the Creditor and informing the Bank accordingly.
- 5.4.4.** Upon the Customer's request, the Bank shall request a copy of the Mandate plus all other relevant information concerning a SEPA Core Direct Debit from the Creditor Bank, and, will provide the Customer with the relevant information made available to the Bank by the Creditor Bank.
- 5.4.5.** The Customer agrees that it will comply with the terms of the Mandate agreed with the Creditor.
- 5.4.6.** If a Creditor does not present a Collection under a Mandate for a period of 36 months from the date of presentation of the last Collection, even if this has been Rejected, Returned or Refunded, the Creditor is obliged to cancel the Mandate and is not allowed to initiate Collections based on the cancelled Mandate. If there is a further requirement for a direct debit, a new Mandate must be established. The Bank is not obliged to check whether the Creditor has met such an obligation.

5.5 Pre-notification, Collection and Debiting

- 5.5.1.** The Creditor should give the Customer pre-notification at least 14 Calendar Days before the Due Date of any proposed Collection. The Creditor is obliged to notify the Customer of the amount and Due Date. For recurrent SEPA Direct Debits the pre-notification can also include the schedule of payments.
- 5.5.2.** The Bank must receive the collection request not later than 5 Inter-Bank Business Days before the Due Date in the case of a new Mandate or not later than 2 Inter-Bank Business Days before the Due Date in the case of a recurring SEPA Core Direct Debit. In the event that the time limits specified further above are not complied with, the Bank will reject the collection request.
- 5.5.3.** The Creditor or the Creditor Bank may change the Due Date and the Customer is hence obliged to maintain funds in the Account at all times, in order to enable the Bank to execute the SEPA Direct Debit.
- 5.5.4.** Subject to the relevant provisions of the Framework Contract, the Bank is not obliged to check the Creditor's entitlement to a SEPA Direct Debit or the details contained in the collection request. In particular, the Bank is not obliged to check that a valid Mandate exists for the Customer. Furthermore, the payment shall be debited from the account based solely on the IBAN (International Bank Account Number) provided in the collection request, without comparing it the Customer's name and address. Provided that the Bank reserves the right to carry out such a check at its own absolute discretion and in case of discrepancy is entitled not to process the collection and return it to the Creditor Bank.
- 5.5.5.** The Account will be debited on the Due Date with the amount specified by the Creditor in the Collection request which is transmitted by the Creditor Bank and received by the Bank. If the Due Date is not a Banking Business Day the Account will be debited on the next Banking Business Day provided that it is also an Inter-Bank Business Day. If the Due Date is not an Inter-Bank Business Day, the Account will be debited on the next Inter-Bank Business Day provided that it is a Banking Business Day.
- 5.5.6.** On the execution of the collection of the SEPA Direct Debit and the consequent debiting of the Account, the Bank shall make available to the Customer the information of the executed SEPA Direct Debit.

5.6 Prohibition, Limitation and Refusals

5.6.1. Prohibition, Limitation and Prevention

The Customer has the right to prohibit the execution of SEPA Direct Debits from the Account and/or any account in his name with the Bank or limit the Collection of a SEPA Direct Debit to a specified amount or periodicity or both or prevent SEPA Direct Debits from one or more specified Creditors or only approve SEPA Direct Debits from one or more specified Creditors by notifying the Bank to this effect on the Bank's relevant document. Upon receipt of such notice by the Bank, the Bank will refuse to allow the execution of any SEPA Direct Debits from the Account and/or any account in the Customer's name with the Bank for which the execution of SEPA Direct Debits has been prohibited, even if a collection request is subsequently received. Any such notice must be given to the Bank at the latest on the Banking Business Day which precedes the Due Date.

5.6.2. Refusals

The Customer may request the Bank to refuse and not to pay any future Collection based on the information received by the Customer through pre-notification or for any other reason, without providing any reasons for doing so. Any such notice must be given to the Bank at the latest on the Banking Business Day which precedes the Due Date. In case the Bank accepts such a request, the Bank shall inform the Creditor Bank that the Collection has been rejected as specified in paragraph 5.7 further below. When handled by the Bank after Settlement, the Customer's refusal will be handled as a refund request as described in paragraph 5.8 further below.

5.7 Rejects and Returns

- 5.7.1.** The Bank is authorized and entitled to prior to Settlement, reject a collection request and is authorized and entitled to after Settlement return a collection request to the Creditor Bank without first consulting the Customer for:
 - (a) Technical reasons (e.g. invalid format, wrong IBAN check digit, Bank identifier code (BIC) incorrect); and/or
 - (b) Account-specific reasons (e.g. the Account specified in the collection is closed, Customer deceased, Customer does not permit a SEPA Core Direct Debit to be made, insufficient funds); and/or
 - (c) Obligations prescribed by the applicable legal framework that supersede these Terms; and/or
 - (d) Unusual and unforeseen events; and/or
 - (e) Refusal by the Customer as provided in paragraph 5.6 above.
- 5.7.2.** When rejecting or returning a collection request, the Bank is authorized by the Customer and entitled to state the reason for the rejection or refusal to all parties involved in the Collection request concerned, including the Creditor.

- (b) Any refund made to the Customer pursuant to subparagraph 5.8.1 (a) above does not relieve the Customer of the responsibility to seek a resolution with the Creditor nor does the payment of a Refund influence the outcome of the resolution.

5.8.2. Refunds for Unauthorised SEPA Direct Debits

- (a) Where the Customer is a consumer or microenterprise, if the eight week period from the date on which the amount of the SEPA Direct Debit was debited from the Account has elapsed, the Customer is entitled to request only the refund of any unauthorized SEPA Direct Debit up to but not later than 13 months from the date on which the amount of the SEPA Direct Debit was debited from the Account of the Customer. Where the Customer is not a consumer or microenterprise, the Customer is entitled to request the refund of any unauthorized SEPA Direct Debit up to but not later than 60 days from the date on which the amount of the SEPA Direct Debit was debited from the Account of the Customer. In such a case, the Customer may request a refund of the SEPA Direct Debit from the Bank, providing any supporting evidence if available. Once the Bank receives such a request, it may request a copy of the Mandate from the Creditor Bank.
- (b) Subject to point (a) above, once the Bank has determined that a transaction so challenged is unauthorized, it is obliged to immediately refund the Customer in accordance with clause 4.11.1 above. If the Bank determines that the refund request will be rejected, it will inform the Customer accordingly and supply the Customer with the relevant supporting evidence received from the Creditor.
- (c) The decision as to whether the amount should be refunded lies solely with the Bank, taking into account any documents (in particular the copy of the Mandate) plus the details provided by both the Creditor Bank and the Customer. The Bank's decision is final for the participants of the SEPA Direct Debit Scheme as defined in the SEPA Direct Debit Rulebook. Where such a decision is disputed by the Customer, he is entitled to submit a complaint as per clause 4.27.
- (d) The Bank shall inform the Customer of its decision promptly and in a suitable manner. Should the request be rejected, the Bank shall inform the Customer without delay of its decision and supply the relevant supporting evidence received from the Creditor Bank to the Customer.
- (e) If the Bank decides to accept the Customer's request for a Refund, the Account will be credited by the Bank with the amount of the disputed Collection with the value date being the day on which the Account was debited with the disputed amount.

The Customer is obliged to claim refunds for Authorized SEPA Direct Debits within the relevant time limits specified in subparagraph 5.8.1 and in relation to unauthorized SEPA Direct Debits within the relevant time limits specified in subparagraph 5.8.2 herein above. Any request for refund out of the aforesaid time limits will be rejected by the Bank.

5.9 Reversals

If a Creditor or the Creditor Bank request a reversal of a SEPA Direct Debit, the Bank is obliged to fulfill this request without a Customer's prior agreement and with no obligation to check whether the original Collection was debited to the Customer's Account or was rejected, returned or refunded.

5.10 Closed Account of the Customer

5.10.1. The Bank is obliged to execute all rejects, returns and refunds as specified in paragraphs 5.7 and 5.8 further above even if the Account Holder's Account is closed.

5.10.2. The Bank will effect refunds requested by the Account Holder after the closure of any Account with the Bank subject to the terms of paragraph 5.8 further above.

5.11 Obligations of the Customer with respect to the Creditor

The Customer acknowledges that submitting a request for Rejection, Refusal and Return in respect of a SEPA Direct Debit does not release it from any possible contractual or other obligations with respect to the Creditor. Furthermore the Customer must resolve any disputes about individual Collections with the Creditor directly.

5.12 Change of Customer's Details

It is the Customer's obligation to inform the Creditor in case that the Debtor decides to use another account in the Bank or in another financial institution for the execution of a SEPA Direct Debit.

The Bank is authorized to charge the Customer's Account or any other account held with the Bank with service fees and/or charges and/or expenses being in force from time to time for the execution of SEPA Direct Debits and/or with any costs for currency conversion including stamp duties in accordance with the Tariff Guide of the Bank.

5.14 Availability of funds and Cancellation of a SEPA Direct Debit

5.14.1. It is the Customer's obligation to ensure that there are sufficient available cleared funds in the Account so that the Bank can execute the SEPA Direct Debit.

5.14.2. The Customer accepts that the Bank may refuse to execute a collection request where there are insufficient available cleared funds in the Account as stated hereinabove.
